RGS New Banquet Ticket for 2010

RGS introduces a **New banquet ticket for 2010: the Family/Household Membership**, this includes an RGS Membership for each attending household Member. An increase in membership will ensure our success, assist us in securing grants, increase advertising rates and give us a bigger pool of potential volunteers, donors, and future leaders. To accomplish this we will now require that all banquet attendees become RGS members. Offering a new family membership where each family member becomes a member with one magazine going out to the family. Instead of \$25 each for all family members attending an event the cost will be \$40 and cover all family members. Those attending will also need to pay for their dinner. Hopefully this will lead to an increase in attendance as well membership numbers. We need to emphasize the cost savings and benefits to the family membership as we solicit attendees to our events.

RGS will be budgeting money for projects and that chapters with successful events will be able to keep some of what they raise in a "Drummer Fund" for statewide projects.

All of these new ideas will dovetail with our current banquet fundraisers and allow us to fund more projects nationally and locally through our chapters working to raise the funds. Stay tuned for more news and please share any new ideas you may have as we meet to start the planning for our 2010 banquet season.

2010 National Raffle

Win a Model 21 "Baby Frame" 28-Gauge Shotgun first made famous by Winchester

This one of a kind gun features 28" barrels, choked IC/M with two beads, a straight English stock crafted from AAA fancy feathercrotch walnut to a checkered butt, and a 14 ½" LOP. The approximate retail value is \$32,000.

If you're interested in a chance to win this gun, tickets are \$100.00 and can be purchased through your local Regional Director or by contacting RGS headquarters at 412-262-4044. Up to 1,500 tickets will be sold.

Last year's National Raffle winner, James Farrell, won the upland bird dream hunt, which included attending the National Grouse and Woodcock Hunt in Grand Rapids, Minnesota this past October.

New England Wildlife Biologist Joins RGS Team

Andrew P. Weik joined the Ruffed Grouse Society (RGS) as New England regional wildlife biologist, and will begin his work in the new year. Weik will be responsible for implementing on-the-ground forest management, landowner and land manager education programs throughout New England.

Weik's extensive experience includes five years with the U.S. Fish and Wildlife Service's (USFWS) Northeast Region at Moosehorn National Wildlife Refuge. Moosehorn is the only national wildlife refuge dedicated to woodcock management. His work at Moosehorn, along with his lengthy work history in various wildlife programs, makes Weik a superior fit for the RGS position.

One specific project that Weik hopes to see through to conclusion this year is the revision of the RGS publication, "A Woodcock in the Hand" (Sepik, 1994). The booklet is unique in that it details tips on examining, aging, and sexing American woodcock as well as information on population monitoring and conservation. Though currently out of print, the need and interest in the booklet have not waned.
