

AMERICAN WOODCOCK SOCIETY

**Northern Ohio
Chapter**

ROOTING FOR FUTURE CONSERVATION DEDICATE A TREE

You can give a gift of trees, memorialize a loved one, celebrate a milestone, plant a tree in remembrance of a pet, celebrate the birth of a baby, a birthday or anniversary, in memory of a loved one, or honor someone with a tree on our project site simply because they cherish/cherished hunting and conservation.

Why We Plant Trees

Healthy forests sustain critical habitat needed for wildlife, especially the birds we love - ruffed grouse and American woodcock. You receive the knowledge that you have made a difference in supporting conservation. The tree will be planted in a current American Woodcock Society Northern Ohio Chapter Project Area.

Tree Dedication Gift

One tree (not a seedling) is \$100. Either the gift giver or recipient will receive a personalized Certificate and photo of the tree with its geographic location to commemorate the tree planting. Multiple trees can be dedicated.

For more information or to dedicate a tree, please contact:
