

# WOBBLE & FIVE STAND FUN SHOOT

**This event is a fund raiser for our chapter's conservation efforts in developing better habitat for woodcock and ruffed grouse.**

This will be a 100 clay bird shoot, consisting of 50 shot five stand, and 50 shot wobble course.

**We will have a limit of four teams, or 20 shooters.** Please do not shoot extra targets beyond those required.

Bring your own ammo, as well as ear and eye protection. Each person is to 'police' his own shells, which should not be any larger than #7.5. You may shoot any gauge, but no larger than 12. This means there should not be any shells on the grounds after your group shoots.

At the conclusion of the shooting, all will be invited to our wrap up gathering on the porch, where we will enjoy light snacks, beer, wine, and/or sodas. The HOA score will be recognized and toasted.

**Cost: Conservation Park Members:** \$30 *(we shoot at reduced prices)* **Guests:** \$42

**A \$14 charge / shooter is included to both members & guests to help us support conservation and provide drinks and food at the conclusion of the shoot.**

*Checks must be received by September 26. Form your group, shoot individually but send your check ASAP.*
