Join the Charles E. Bechtel Chapter of the Ruffed Grouse Society, on Pennsylvania State Game Lands 80, on April 18, 2020, for an educational workday. We will be joining with the Southeast region staff of the Pennsylvania Game Commission, PGC.

In 2019 with the help of a Drummer Grant from RGS, the PGC pushed a road into SGL 80 from the town of Rock. This road has created an excellent opportunity for habitat management for Grouse and the PGC has taken advantage of this opportunity.

We will meet at the game lands parking lot on the new road (see the map on the back) at 9 am. The day will start with a greeting from the Bechtel Chapter. Linda Ordiway RGS Biologist will provide a national perspective on Grouse/Woodcock status. Randy Bauman, SE Regional Forester, will discuss the day's activities and provide some history of the PGC forestry activities along the mountain.

The PGC has procured 1400 seedlings that we will plant adjacent to the log landing, following Mr. Bauman's discussion. The soil is very good, so bring your spade shovels. Be sure to wear sturdy waterproof boots and have a pair of work gloves.

At around 12:00 we will break for lunch that will be provided by RGS Chapter staff back at the log landing/meeting site. After lunch, Mr. Bauman will continue his discussion on habitat and we will dedicate the project site by installing a sign indicating RGS's/PGC's work and funding for the project. There will also be numerous members of the SE Region staff available to question about their efforts to improve habitat, their work with numerous game species and available areas to hunt.

We will wrap up the day by 2:00 with a group discussion on the day's activities and final question of our hosts.

**Directions:** You can access the Game Lands 80 for this project from Rock Pa, along Route 895. The map on the back will provide directions to the meeting site.

**REGISTRATION**

In order to meet your needs for the day, you must register. Complete the registration form and mail it to John C. Cave, 1220 Milestone Road, Robesonia, PA 19551 or send an email to cavescorner@comcast.net by APRIL 7.
