

GILBERT R. SYMONS CHAPTER DOG DAY 2020

Spend this early fall morning getting your bird dog ready for the season. Fields will be booked for 50 minutes per hunter(s), with 10 minutes to turnover for next party.

New to the sport or interested in getting into upland bird hunting, we will pair you with an experienced RGS member and their dog so you can get the full experience. This event is open to youth as well as adults. We will connect you with the RGS member assigned to your party prior to the event so you can discuss expectations.

No hunting license is required, in-state or out!

INDIVIDUAL: \$50.00 – 50 Minute Field Walk

This year will be using Georgia Giant Bobwhite Quail.

Georgia Giant Bobwhite Quail are larger in size than wild Bobwhites and thus produce more high-quality quail meat.

***Don't delay making your reservation as spots are limited
and this event has sold out each year!!***

We will post on our Facebook page when the event sells out.
