October 22-24, 2021

ALPINE VILLAS
BIG POWDERHORN MOUNTAIN RESORT
11375 Powderhorn Road
Bessemer, MI 49911

The Outdoor Enthusiast's Dream Location

Experience the mystique of hunting grouse and woodcock in the vast wild expanse of Michigan's Western Upper Peninsula with regional developer Dave Johnson. You will be staying at the dog-friendly Alpen Villas at the Big Powderhorn Mountain Resort.

Guests will arrive on Friday, October 22 to a reception with hors d'oeuvres and cocktails followed by a catered dinner starting at 4:00 p.m. and concluding with bonfire at the Bear Cabin.

Saturday starts with a hearty breakfast after which we will head into the field for a full day of hunting. After the hunt your game will be cleaned and packaged by the guides. Dinner to follow.

Sunday will be a repeat of Saturday with hunters leaving for home after their day in the field.

This is an all inclusive, fully guided hunt with local guides, 2 nights lodging, meals, and local transportation. Attendees will be required to purchase Michigan small game licenses. We will hunt a mix of public and private lands. Two hunters per guide.

Your guides include: Mark Fouts, RGS & AWS Vice President of Member Relations; Dave Johnson, RGS & AWS Regional Developer; Jon Steigerwaldt, RGS & AWS Forest Conservation Director; and others.

We are limited to 10 people for this experience.

About RGS & AWS:

Mission

Established in 1961, The Ruffed Grouse Society is North America's foremost conservation organization dedicated to preserving our hunting traditions by creating healthy forest habitat for ruffed grouse, American woodcock and other wildlife. RGS works with landowners and government agencies to develop critical habitat utilizing scientific management practices.

Purpose

- Forest conservation is facing the important challenges of unhealthy forest management practices, habitat loss and declining wildlife populations. RGS exists to protect, create and enhance healthy forests, abundant wildlife and our conservation ethics through scientific management of woodlands and public education.
- Devoted to the hunting life, ruffed grouse and woodcock hunters are a special group with a passion for the unique challenge these birds present. From Alaska and the Canadian Provinces to the Gulf of Mexico, our members include hunters, non-hunters, woodland owners, industries and conservation professionals. Our events and activities focus on camaraderie, learning, sharing and supporting the goals of our organization.
