

2021 EUROPEAN TOWER SHOOT

Saturday, January 30, 2021

This hunting style in a new venue adds a fun activity to your hunt. Tower Shoots offer the excitement of being in a group setting while enjoying live bird shooting. Groups of shooters can enjoy a day of pheasant shooting as birds are released from the tower. Birds on the wing fly over without warning to provide the ultimate in tower shooting. Looking for something new and fun to add to your hunt? You should join us!

RESERVE EARLY – FIRST COME, FIRST SERVED!

INDIVIDUAL: \$300.00 per Shooter and includes:

- Ten pheasants released per shooter
- All Meals
- Walk Up Field Hunt with dogs after lunch
- All birds are cleaned and divided equally

\$335.00 includes above and one year AWS Membership

- Shooting grounds consist of 10 shooting post/blinds that are about 100 yards from the tower
- Each station is occupied by one or two shooters. (10 minimum – 20 maximum)
- Shooting positions are situated to allow only overhead shooting
- **Recommended Gun:** 12 gauge, full choke. Full and modified seem to be the most versatile. Also semi auto and pump guns are the best option as it allows for more rounds in the gun. We highly recommend bringing a backup gun as this type of shoot really puts the guns to task – more of a duck type gun for tower shoot and then more of a upland type gun for the walk up.
- **Recommended Shell:** no shot larger than #6 allowed for the tower safety
- Blaze Orange; Glasses for Eye Protection and Hearing Protection is required
- Shooters rotate after each shooting period. During the shoot each shooter rotates completely around the tower
- When the shooting is completed, all shooters return to the lodge for lunch
- Shoot starts at 9:00 AM; must arrive no later than 8:30 AM

Return registration with your check (payable to AWS) or credit card for \$300 or \$335 per shooter. **All people must be paid by January 15, 2021, as we have to pay for the birds in advance.** This is on a "first-come, first-served" basis – Only paid reservations guarantee your spot. Due to the high up-front cost of this event, we cannot hold spaces without payment in full. This will sell out. Thank You!
