

JAMES RIVER

RUFFED GROUSE SOCIETY

100 Bird Sporting Clays Fun Shoot

We will shoot 100 targets traveling through hill and dale at one of the nicest courses around. We can reserve up to 5 carts, but you need to reserve early to ensure you have access, if needed.

Please bring your own ammo; Brad has 12 gauge for sale if needed, but is short on all other gauges. **Additionally, bring your own eye and ear protection.**

We will provide cold water for the course, and beer/soda for after the shoot. Please bring your own lunch.

Let me know if you are bringing a team; otherwise individuals will be assigned to make up a team of four shooters.

Please plan to arrive at 11:30 AM to register, obtain ammo if needed, and be ready to start at noon. **We will have a "shotgun start". We have to complete shooting by 3 PM.**

The cost of the shoot will be \$57, which includes a donation to our Lambertson Conservation Fund. The HOA shooter will receive a Beretta Blaze Orange shooting shirt.

Join us for a fun time in raising some funds for our grouse & woodcock habitats.

To join us:

1. Complete the form below.
2. Write a check for \$57, made out to James River Chapter, RGS & AWS.
3. Take a picture of your information and check, and send to me at doctorlasik2@gmail.com, to be registered, as the mail can't be trusted at this late date. Bring your check or cash with you to the shoot.

Please consult Virginia's COVID-19 guidelines before attending events. For more, visit [cdc.gov](https://www.cdc.gov).
