

Nutmeg Chapter

Summer Grouse Together

Wednesday, August 24, 2022

6 PM - 8 PM

Sessions Woods Wildlife Management Area

341 Milford Street, Burlington, CT 06031

Join us for a Nutmeg Chapter meet & greet event!

RGS & AWS welcomes any and all members and non-members to attend this event, learn more about RGS & AWS, support the local chapter, and talk about all things hunting and conservation!

We have previously partnered with Connecticut's Dept. of Energy and Environmental Protection on successful habitat projects at the Roraback, Kolar, Goshen, and Housatonic River Wildlife Management Areas. Please support the Nutmeg Chapter in continued Grouse & Woodcock conservation. We need your help!

Refreshments, door prizes, and habitat updates included!

No cost to attend.
