

James River Chapter

# Roy Lambertson Bird Hunt for Conservation

Sunday, October 23, 2022

**Hunt's Game Preserve**

**5142 Hunt Road, Jarratt, VA 23867**

**11:30 AM - 12 Noon: Registration**

**12 Noon - 1 PM: BBQ Lunch**

**1 PM: Hunts Begin**

This event is a fundraiser for our Roy Lambertson Conservation Fund; all proceeds go towards our chapter's efforts to improve the availability of Ruffed Grouse, American Woodcock, and other bird species in the woodlands of Virginia.

#### Simple Directions:

The GPS address is usually accurate, but just in case:  
I-95 to exit 31, ramp right for VA 40 toward Waverly/  
Stony Creek.

.2 miles, turn right onto VA-40W/Sussex Dr

Go 5.7 miles, turn left onto Winfield Road

0.3 miles road name changes to VA-630/Little Mill Rd.

Go 0.9 miles straight onto Little Mill Rd.

Go 4.6 miles, turn right onto Hunt Road

0.9 miles arrive at Hunt Rd, Jarratt VA

**Venue:** Two to three shooters assigned to one or two bird dogs, with either your dogs or member's pups. We will match up hunters with dogs after registrations are complete with responses to me. This is a good opportunity to prepare for the upcoming hunting season; we hope you can join us.

Soda, water, & beer available in the clubhouse after the hunts have finished.

Cost for six chukar per person and lunch will be \$115. Thus, there should be a minimum of 18 chukar to hunt per each three man group.

I'm counting on at least five of our members bringing their dogs, and participants are welcome to bring their own pointing dogs to the venue-check with me if that's your plan to be sure there is room for additional dogs.

We hope you can join us; bring a friend or two and your pointing dog.

Darrel Feasel, President

Tony Sakowski, Hunt Master

*Further instructions will be sent out to those who respond.*

#### Important Rules for all:

1. Muzzles in a safe direction
2. When walking in on a pointing dog, keep your safety on until the bird is in the air,
3. Never shoot a low bird, one that is below the skyline, nor a bird that randomly enters your hunting area.

*Please consult your doctor and the state's COVID-19 guidelines before attending events. For more, visit [cdc.gov](https://www.cdc.gov).*
