8:00 A.M.
PROGRAM START

Join us for an introduction to ruffed grouse and woodcock hunting and upland bird dog training.

12 NOON
LUNCH

We have a great day planned:

1. Grouse and woodcock habitat identification
2. Puppy training - Basic training and what to expect in the first year
3. Grouse gear - What you need (Lion Country Supply)
4. Intro to GPS - Where am I and how do I get where I'm going?
5. Advanced - Demos, questions and answers for experienced dog handlers

FEE: \$10
NON-REFUNDABLE

If you're a first-generation hunter or a new bird dog owner who's looking to spend some quality time in the field, but feel as if it's daunting to get started, join us on May 6! Our goal is to create a network of hunters willing to take new dog owners and novice hunters under their wing.

*RGS & AWS
memberships will be
available at the event.*

Please download onX Hunt to your phone prior to the event. There is a free trial version available.

**Don't delay! Please pre-register so
we can get a headcount for lunch!**

Reserve your spot.
