

*Healthy Forests*  
*Abundant Wildlife*  
*Conservation Ethic*

## MISSION

RGS & AWS unite conservationists to improve wildlife habitat and forest health. Since 1961, RGS has promoted stewardship for our forests, our wildlife and our future.

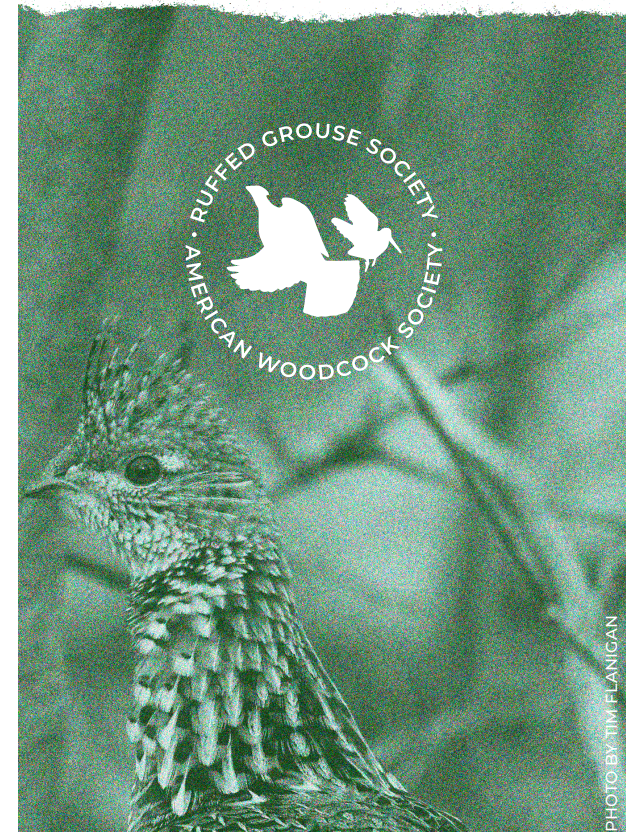

Our vision is to create landscapes of diverse, functioning forest ecosystems that provide homes for wildlife and opportunities for people to experience them.

## PURPOSE

RGS & AWS exists to protect, create and enhance healthy forests, abundant wildlife and our conservation ethics through scientific management of woodlands and public education.

Devoted to the hunting life, ruffed grouse and woodcock hunters are a special group with a passion for the unique challenge these birds present. Our members include hunters, non-hunters, woodland owners, industries and conservation professionals. Our events and activities focus on camaraderie, learning, sharing and supporting the goals of our organization.

PHOTO BY TIM FLANIGAN

Ohio is home to some of the Ruffed Grouse Society & American Woodcock Society's most ardent outdoorsmen and women.

*Sportsmen and women of all ages recognize the urgency in setting aside and cultivating habitat for upland birds and other kinds of forest wildlife.*

RGS & AWS has become the premiere organization for those who appreciate and support this type of conservation.

The conservation efforts of RGS & AWS are focused on the areas represented by their chapters.

A selection of auction and raffle items will be offered to raise funds to benefit local and regional habitat.

**Become an RGS Sponsor!**

For every 10 sponsors we will give away a shotgun! Sponsor contributions received by September 1 will be listed in the program.

**Donations Welcome!**

Contact: Greg Goebel - 513-623-8485  
GregOhio2000@yahoo.com

Proceeds go toward conservation of forest wildlife and support of the local chapter.
