INDEPENDENT AUDITORS’ REPORT

To the Board of Directors of
The Ruffed Grouse Society

Opinion

We have audited the accompanying financial statements of The Ruffed Grouse Society (a non-profit organization), which comprise the statements of financial position as of December 31, 2022 and 2021, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Ruffed Grouse Society as of December 31, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Ruffed Grouse Society and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Ruffed Grouse Society’s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.
**Auditors’ Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Ruffed Grouse Society’s internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Ruffed Grouse Society’s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

**Supplemental disclosure of non-cash financing activities:**

Right of use asset and lease liability                                    | $779,398 | $ -     |
1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities - The Ruffed Grouse Society (the “Society”) is a not-for-profit entity dedicated to improving the environment for the ruffed grouse, the American woodcock, and many other species of forest wildlife. The accompanying financial statements include the accounts of the Society’s headquarters operations only and do not include the accounts and operations of the Society’s various chapters. The Society also created the American Woodcock Society which is operating as an assumed name business in accordance with Virginia law. All of the transactions of the American Woodcock Society are included in these financial statements.

Basis of Accounting - The Society's policy is to prepare its financial statements on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Revenues are recognized in the period in which they are earned. Expenses are recognized in the period in which the related liability is incurred.

Cash and Cash Equivalents - The Society considers all short-term instruments purchased with maturities of three months or less, which are neither held for nor restricted by donors for long-term purposes, to be cash and cash equivalents. Cash and highly liquid financial instruments restricted to specific projects, endowments that are perpetual in nature, or other long-term purposes are excluded from this definition.

Investments - Investments include marketable securities with readily determinable fair values are carried at their fair value in the statements of financial position. Net investment return (loss) is reported in the statements of activities and consists of interest and dividend income, realized and unrealized gains and losses, less external investment expenses.

Allowance for Doubtful Accounts - The management of the Society considers whether receivable balances are fully collectible. If any amounts become uncollectible, they will be charged to bad debts in the statement of activities when that determination is made. An allowance of $666 and $4,000 has been provided for accounts receivable or grants receivable as of December 31, 2022 and 2021, respectively. For promises to give, an allowance for doubtful accounts has been provided for as of December 31, 2022 and 2021 in the amount of $79,248 and $50,000, respectively.

Accounts Receivable and Promises to Give - Accounts receivable are recorded at their net realizable value. Promises to give are recorded as receivables at the time the promise is made, and allowances are provided for promises estimated to be uncollectible. Promises due in the next year are recorded at their net realizable value. Promises due in subsequent years are recorded at the present value of their net realizable value using risk-free interest rates applicable to the years in which the promises are to be received to discount the amounts.

Inventory - The Society values its inventory at average cost on the first in first out basis. Inventory consists of various items that the members of the Society can purchase online, at banquets and other events that are held to promote the Society. The merchandise includes clothing and outdoor related items.

Property and Equipment - Purchased property and equipment are stated at cost or, if donated, at fair market value as determined by the donor at the date of donation. Additions of leasehold improvements, vehicles, forestry equipment and office furniture and equipment, in excess of $1,000, are capitalized. When assets are retired or otherwise disposed of, the cost and the related accumulated depreciation are removed from the accounts, and any resulting gain or
loss is recognized in the statement of activities. Repair and maintenance charges which do not increase the useful lives of the assets are charged to expense as incurred.

Depreciation is computed using the straight-line method over the estimated useful lives of the assets, as follows:

<table>
<thead>
<tr>
<th>Years</th>
</tr>
</thead>
<tbody>
<tr>
<td>Leasehold Improvements</td>
</tr>
<tr>
<td>Vehicles</td>
</tr>
<tr>
<td>Forestry Equipment</td>
</tr>
<tr>
<td>Office Furniture and Equipment</td>
</tr>
</tbody>
</table>

Impairment of Long-lived Assets - Management of the Society considers the valuation and depreciation of property and equipment to be reasonable. Management considers both the current and future levels of undiscounted cash flows generated by the Society and the continuing value of property and equipment, and land held for investment to determine when and if an impairment has occurred. Any write-downs due to impairment are charged to expense at the time the impairment is identified. No such write-downs due to impairment have been recorded during the years ended December 31, 2022 and 2021.

Net Assets - Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions - Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. The board of directors has designated, from net assets without donor restrictions, net assets for a board designated quasi-endowment.

Net Assets With Donor Restrictions - Net assets subject to donor (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates the resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

The Society reports contributions restricted by donors as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Deferred Grant Income - Deferred grant income consist of service contract revenue received in advance of the services being provided and conditional government grants received in advance of the condition being satisfied. Recognition does not occur until the Society provides the services and/or satisfies the conditions.

Revenues and Revenue Recognition - The Society recognizes contributions and grant income when cash, securities or other assets; an unconditional promise to give; or a notification of a
beneficial interest is received. Membership dues, which are nonrefundable, are comprised of an exchange element based on the value of benefits provided, and a contribution element for the total dues paid and the exchange element. The Society recognizes the exchange portion of membership dues and the contribution portion immediately due to the immateriality of calculating the exchange portion of the membership dues over the membership period. The Society records banquet and event revenue equal to the fair value of direct benefit to donors, and any contribution income for the excess received when the event takes place. Conditional promises to give - that is, those with a measurable performance or other barrier and a right of return - are not recognized until the conditions on which they depend have been met.

**Estimates** - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the statement of financial position and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Functional Expenses** - The financial statements report certain categories of expenses that are attributable to more than one program or supporting function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. Every five years the Society performs a time study to provide a reasonable allocation of expenses that are not directly related to programs. Salaries and benefits are allocated directly to conservation programs, administration, and fundraising based on the results of the time study. Certain expenses including legal and auditing and interest are allocated entirely to administration. Habitat expenses are allocated primarily to conservation programs. Occupancy expenses including rent and utilities are allocated based on time incurred on a particular function by the staff in that office. Miscellaneous expenses such as professional fees are allocated based on the actual nature of the expense.

**Income Taxes** - The Society is exempt from income tax under Section 501(c)(3) of the Internal Revenue Code. However, income from certain activities not directly related to the Society’s tax-exempt purpose is subject to taxation as unrelated business income. In addition, the Society qualifies for the charitable contribution deduction under Section 170(b)(1)(A) as it has been classified as an organization that is not a private foundation under Section 509(a)(2).

Income tax benefits are recognized for income tax positions taken or expected to be taken in a tax return, only when it is determined that the income tax position will more-likely-than-not be sustained upon examination by taxing authorities. The Society has analyzed tax positions taken for filing with the Internal Revenue Service and all state jurisdictions where it operates. The Society believes that income tax filing positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse effect on the Society’s financial condition, results of operations or cash flows. Accordingly, the Society has not recorded any reserves, or related accruals for interest and penalties for uncertain income tax positions at December 31, 2022 and 2021. The Society’s policy is to classify any income tax related interest and penalties to interest expense and other expenses, respectively.

The Society is subject to routine audits by taxing jurisdictions: however, there are currently no audits for any tax periods in progress.

**Concentration of Credit Risk** - The Society maintains its cash and cash equivalents with two financial institutions as of December 31, 2022 and 2021. Its accounts are insured by the Federal Deposit Insurance Corporation (“FDIC”) up to $250,000. The FDIC provides each
depositor up to $250,000 in coverage at each separately chartered insured depository institution. The Society has not experienced any losses on the deposits and management believes the Society is not exposed to any significant credit risk related to cash. At December 31, 2022 and 2021, the uninsured balances totaled $4,429,528 and $3,741,987, respectively.

**Leases** - The Society recognizes and measures its leases in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 842, Leases. The Society adopted the accounting standard during 2022. The Society assesses at contract inception, or when the terms of an existing contract are changed, whether the contract is, or contains, a lease. The Society recognizes a right of use (ROU) asset and lease liability at the commencement date of the lease. The lease liability is initially and subsequently recognized based on the present value of its future lease payments. The ROU asset is subsequently measured throughout the lease term at the amount of the remeasured lease liability, plus unamortized initial direct costs, plus or minus any prepaid or accrued lease payments, less the unamortized balance of the lease incentives received, and any impairment recognized. Lease cost for lease payments is recognized on a straight-line basis over the lease term.

The Society has elected, for all underlying classes of assets, to not recognize ROU assets and lease liabilities for short-term leases that have a lease term of 12 months or less at lease commencement, and do not include an option to purchase the underlying asset that the Society is reasonably certain to exercise. The Society recognizes lease costs associated with short-term leases on a straight-line basis over the lease term.

The Society adopted the new accounting standard using a modified retrospective transition method and applied the transition provisions at the beginning of the period of adoption. The adoption of the new lease accounting standard did not have a material impact on the change in net assets.

**Recent Accounting Standards Updates** - The FASB issued new Accounting Standard Updates (ASUs) addressing various accounting and reporting standards. Management has determined based on their review that the following ASUs issued may be applicable to the Society. As new ASUs are released, management will assess if they are applicable and if they are applicable, their affect will be included in the notes to the financial statements.

In June 2016, the FASB issued ASU 2016-13, “Financial Instruments - Credit Losses (Topic 326)” which implemented the following changes.

**Assets Measured at Amortized Cost** - A financial asset (or a group of financial assets) measured at amortized cost basis is required to be presented at the net amount expected to be collected. The allowance for credit losses is a valuation account that is deducted from the amortized cost basis of the financial asset(s) to present the net carrying value at the amount expected to be collected on the financial asset. The statement of activities reflects the measurement of credit losses for newly recognized financial assets, as well as the expected increases or decreases of expected credit losses that have taken place during the period. The allowance for credit losses for purchased financial assets with a more-than insignificant amount of credit deterioration since origination (PCD assets) that are measured at amortized cost basis is determined in a similar manner to other financial assets measured at amortized cost basis; however, the initial allowance for credit losses is added to the purchase price rather than being reported as a credit loss expense. Only subsequent changes in the allowance for credit losses are recorded as a credit loss expense for these assets. Interest income for PCD assets should be recognized based on the effective interest rate, excluding
the discount embedded in the purchase price that is attributable to the acquirer's assessment of credit losses at acquisition.

*Available-for-Sale Debt Securities* - Credit losses relating to available-for-sale debt securities should be recorded through an allowance for credit losses. The amount of the allowance for credit losses is limited to the amount by which fair value is below amortized cost because the classification as available for sale is premised on an investment strategy that recognizes that the investment could be sold at fair value if cash collection would result in the realization of an amount less than fair value. The allowance for credit losses for purchased available-for-sale securities with a more-than-insignificant amount of credit deterioration since origination is determined in a similar manner to other available-for-sale debt securities; however, the initial allowance for credit losses is added to the purchase price rather than reported as a credit loss expense. Only subsequent changes in the allowance for credit losses are recorded in credit loss expense. Interest income should be recognized based on the effective interest rate, excluding the discount embedded in the purchase price that is attributable to the acquirer's assessment of credit losses at acquisition.

In November 2019, the FASB issued ASU 2019-10, “Financial Instruments - Credit Losses (Topic 326), Derivatives and Hedging (Topic 815), and Leases (Topic (842): Effective Dates,” which deferred the effective date of ASU 2016-13 to fiscal years beginning after December 15, 2022. All entities may adopt this ASU as early as of the fiscal years beginning after December 15, 2018. An entity may apply the amendments using a modified-retrospective approach which would be through a cumulative-effect adjustment to net assets as of the beginning of the first reporting period which the guidance is effective. Management has determined that the adoption of this guidance will impact and be applied upon the effective date to the financial statements and notes thereto.

2. **LIQUIDITY AND AVAILABILITY**

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the statement of financial position date, comprise of the following:

<table>
<thead>
<tr>
<th>Financial assets at year-end</th>
<th>2022</th>
<th>2021</th>
</tr>
</thead>
<tbody>
<tr>
<td>Cash and cash equivalents</td>
<td>$ 4,588,563</td>
<td>$ 3,973,894</td>
</tr>
<tr>
<td>Accounts receivable - trade - net</td>
<td>28,140</td>
<td>134,740</td>
</tr>
<tr>
<td>Promises to give - net</td>
<td>1,470,289</td>
<td>2,131,047</td>
</tr>
<tr>
<td>Grants receivable</td>
<td>968,661</td>
<td>323,994</td>
</tr>
<tr>
<td>Investments</td>
<td>4,897,269</td>
<td>6,120,602</td>
</tr>
<tr>
<td><strong>Total financial assets at year-end</strong></td>
<td><strong>11,952,922</strong></td>
<td><strong>12,684,277</strong></td>
</tr>
</tbody>
</table>

Less amounts not available to be used within one year:

| Board designated for quasi-endowment         | (5,371,024) | (6,589,962) |
| Amounts designated for disbursement          |             |             |
| from board designated quasi-endowment       | 295,000     | 285,915     |
| Land held for investment included            |             |             |
| in board designated quasi-endowment         | 492,000     | 492,000     |
| **Total amount designated from quasi-endowment** | **(4,584,024)** | **(5,812,047)** |
## 3. INVESTMENTS

Investments as of December 31, 2022 and 2021 are summarized as follows:

<table>
<thead>
<tr>
<th></th>
<th>2022</th>
<th>2021</th>
</tr>
</thead>
<tbody>
<tr>
<td>Common stock</td>
<td>$1,913,255</td>
<td>$3,063,453</td>
</tr>
<tr>
<td>Mutual funds</td>
<td>717,385</td>
<td>1,908,740</td>
</tr>
<tr>
<td>Fixed income</td>
<td>2,175,245</td>
<td>750,079</td>
</tr>
<tr>
<td>Money market</td>
<td>91,384</td>
<td>398,330</td>
</tr>
<tr>
<td><strong>Total</strong></td>
<td><strong>$4,897,269</strong></td>
<td><strong>$6,120,602</strong></td>
</tr>
</tbody>
</table>
Investment return is comprised of the following for the years ended December 31, 2022 and 2021:

<table>
<thead>
<tr>
<th></th>
<th>2022</th>
<th>2021</th>
</tr>
</thead>
<tbody>
<tr>
<td>Interest and dividends</td>
<td>$161,151</td>
<td>$100,221</td>
</tr>
<tr>
<td>Realized gain on marketable securities</td>
<td>171,660</td>
<td>421,527</td>
</tr>
<tr>
<td>Unrealized gain (loss) on marketable securities</td>
<td>(1,231,690)</td>
<td>331,985</td>
</tr>
<tr>
<td>Investment fees</td>
<td>(40,836)</td>
<td>(39,324)</td>
</tr>
<tr>
<td></td>
<td>$ (939,715)</td>
<td>$ 814,409</td>
</tr>
</tbody>
</table>

4. FAIR VALUE MEASUREMENTS

FASB ASC Topic 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC Topic 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Society has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset’s or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The Society uses appropriate valuation techniques, based on the inputs available to measure the fair value of its investments. There have been no changes in the methodologies used at December 31, 2022 and 2021.
The Society’s investments at fair value, within the fair value hierarchy, are as follows as of December 31, 2022 and 2021:

<table>
<thead>
<tr>
<th></th>
<th>2022</th>
<th>2021</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Level 1</strong></td>
<td></td>
<td></td>
</tr>
<tr>
<td>Common stock</td>
<td>$ 1,913,255</td>
<td>$ 3,063,453</td>
</tr>
<tr>
<td>Mutual funds</td>
<td>717,385</td>
<td>1,908,740</td>
</tr>
<tr>
<td>Fixed income</td>
<td>2,175,245</td>
<td>750,079</td>
</tr>
<tr>
<td>Money market</td>
<td>91,384</td>
<td>398,330</td>
</tr>
<tr>
<td><strong>Total Level 1</strong></td>
<td>4,897,269</td>
<td>6,120,602</td>
</tr>
<tr>
<td><strong>Level 3</strong></td>
<td></td>
<td></td>
</tr>
<tr>
<td>Land held for investment</td>
<td>492,000</td>
<td>492,000</td>
</tr>
<tr>
<td><strong>Total investments</strong></td>
<td>$ 5,389,269</td>
<td>$ 6,612,602</td>
</tr>
</tbody>
</table>

Fair values for marketable securities are determined by reference to quoted market prices and other relevant information generated by market transactions. The fair value of the land held for investment is recorded at the fair market value as of the date of donation.

Assets measured at fair value on a non-recurring basis using significant unobservable inputs (Level 3) are as follows:

<table>
<thead>
<tr>
<th></th>
<th>2022</th>
<th>2021</th>
</tr>
</thead>
<tbody>
<tr>
<td>Balance at beginning of year</td>
<td>$ 492,000</td>
<td>$ 492,000</td>
</tr>
<tr>
<td>Unrealized gain (loss) on land held for investment</td>
<td>-</td>
<td>-</td>
</tr>
<tr>
<td><strong>Balance at end of year</strong></td>
<td>$ 492,000</td>
<td>$ 492,000</td>
</tr>
</tbody>
</table>

5. PROMISES TO GIVE

Promises to give as of December 31, 2022 and 2021 are as follows:

<table>
<thead>
<tr>
<th></th>
<th>2022</th>
<th>2021</th>
</tr>
</thead>
<tbody>
<tr>
<td>Promises to give</td>
<td>$ 1,611,694</td>
<td>$ 2,242,821</td>
</tr>
<tr>
<td>Less: unamortized discount</td>
<td>(62,157)</td>
<td>(61,774)</td>
</tr>
<tr>
<td>Less: allowance for uncollectible accounts</td>
<td>(79,248)</td>
<td>(50,000)</td>
</tr>
<tr>
<td><strong>Net promises to give</strong></td>
<td>$ 1,470,289</td>
<td>$ 2,131,047</td>
</tr>
</tbody>
</table>

Amounts due in:

<table>
<thead>
<tr>
<th></th>
<th>2022</th>
<th>2021</th>
</tr>
</thead>
<tbody>
<tr>
<td>Less than one year</td>
<td>$ 762,569</td>
<td></td>
</tr>
<tr>
<td>One to five years</td>
<td>849,125</td>
<td></td>
</tr>
<tr>
<td><strong>$ 1,611,694</strong></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

Promises to give due in more than one year are reflected at the present value of estimated future cash flows using discount rates of 7.27% and 3.25% for the years ending December 31, 2022 and 2021, respectively.
6. **LAND HELD FOR INVESTMENT**

In October 2016, the Society received a donation of 240 acres of wooded land, located in New Auburn, Wisconsin. The land is recorded at the fair market value, as of the date of the contribution, in the amount of $492,000. The fair market value has not changed significantly on the land from the date of donation. The donors transferred title to the property pursuant to a Life Estate, whereby they retain the right to utilize and manage the property as they wish during their lifetimes. Following their deaths, the Life Estate interest will terminate, and the property will be owned outright by the Society.

7. **PROPERTY AND EQUIPMENT**

Property and equipment at December 31, 2022 and 2021 consists of the following:

<table>
<thead>
<tr>
<th></th>
<th>2022</th>
<th>2021</th>
</tr>
</thead>
<tbody>
<tr>
<td>Leasehold improvements</td>
<td>$5,736</td>
<td>$11,809</td>
</tr>
<tr>
<td>Vehicles</td>
<td>348,362</td>
<td>391,503</td>
</tr>
<tr>
<td>Forestry equipment</td>
<td>10,297</td>
<td>294,824</td>
</tr>
<tr>
<td>Office furniture and equipment</td>
<td>142,888</td>
<td>113,363</td>
</tr>
<tr>
<td></td>
<td>507,283</td>
<td>811,499</td>
</tr>
<tr>
<td>Less: accumulated depreciation</td>
<td>(406,585)</td>
<td>(735,164)</td>
</tr>
<tr>
<td></td>
<td>$100,698</td>
<td>$76,335</td>
</tr>
</tbody>
</table>

Depreciation expense for the years ended December 31, 2022 and 2021 was $40,135 and $43,378, respectively.

8. **LEASES**

The Society has operating leases of a building for its corporate offices and for certain office equipment. The leases have lease terms of two to ten years.

As of December 31, 2022, the amounts reported on the statement of financial position for the operating leases are as follows:

<table>
<thead>
<tr>
<th>Operating leases</th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>Operating lease ROU asset</td>
<td>$719,358</td>
</tr>
<tr>
<td>Operating lease liabilities</td>
<td></td>
</tr>
<tr>
<td>Current</td>
<td>$88,396</td>
</tr>
<tr>
<td>Long-term</td>
<td>631,906</td>
</tr>
<tr>
<td>Total operating lease liabilities</td>
<td>$720,302</td>
</tr>
</tbody>
</table>
The following is the weighted average remaining lease term and discount rate as of December 31, 2022:

Weighted average remaining lease term
  Operating leases 8.79 years

Weighted average discount rate
  Operating leases 2.15%

The maturities of lease liabilities for the years ending subsequent to December 31, 2022 are as follows:

<table>
<thead>
<tr>
<th>Year</th>
<th>Operating</th>
</tr>
</thead>
<tbody>
<tr>
<td>2023</td>
<td>$102,831</td>
</tr>
<tr>
<td>2024</td>
<td>101,523</td>
</tr>
<tr>
<td>2025</td>
<td>78,397</td>
</tr>
<tr>
<td>2026</td>
<td>78,241</td>
</tr>
<tr>
<td>2027</td>
<td>79,758</td>
</tr>
<tr>
<td>Thereafter</td>
<td>350,181</td>
</tr>
</tbody>
</table>

Total lease payments 790,931
Less: interest (70,629)
Present value of lease liabilities $720,302

9. LINE OF CREDIT

The Society has a line of credit agreement with Huntington National Bank. The agreement allows for maximum borrowings of $1,250,000 with an extended maturity date through August 25, 2023. The line of credit bears interest at the banks’ prime rate which was 7.5% and 3.25% at December 31, 2022 and 2021, respectively. The line of credit is secured by the Society’s investment account. At December 31, 2022 and 2021, the outstanding balance was $95,185 and $531,522, respectively.

10. NOTES PAYABLE

Notes payable at December 31, 2022 and 2021 consists of the following:

<table>
<thead>
<tr>
<th></th>
<th>2022</th>
<th>2021</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>In December 2018, the Society entered into a note payable with a financial institution in the amount of $23,256; collateralized by the vehicle being financed; bearing interest at 4.66%; payable in monthly installments of principal and interest of $436 through maturity in December 2023, at which time the unpaid principal becomes due.</td>
<td>$4,125</td>
<td>$9,606</td>
</tr>
</tbody>
</table>
In March 2020, the Society entered into a note payable with a financial institution in the amount of $40,244; collateralized by the vehicle being financed; non-interest bearing; payable in 72 monthly installments of principal of $559 through maturity in February 2026, at which time the unpaid principal becomes due.  

In December 2022, the Society entered into a note payable agreement with a Foundation to fund habitat for wildlife in the amount of $500,000; maturing January 31, 2025; bearing interest at 1%; all principal and interest will be due and payable at maturity.

Less current portion
Long-term portion

Total maturities for the notes payable as of December 31, 2022 are as follows:

<table>
<thead>
<tr>
<th>Year Ending December 31</th>
<th>Amount Due</th>
</tr>
</thead>
<tbody>
<tr>
<td>2023</td>
<td>$10,852</td>
</tr>
<tr>

Interpretation of the Endowment - Contributions to the Quasi-Endowment are designated by the Board of Directors. Distribution of any gift, bequest or fund is governed by the Society’s governing documents and donor agreements. All Society endowment funds make available the use of principal which are able to be utilized for the intended purpose of the Endowment. Board-designated endowments do not possess external spending restrictions and therefore are classified as net assets without restriction.

Return Objectives and Risk Parameters - The Society has adopted investment and spending policies for endowment assets that seek to provide a predictable stream of revenue while seeking to maintain and expand the principal. The Society’s quasi-endowment assets are board-designated.

Under the Society’s policy, endowment assets are invested in a diversified portfolio to manage risk and protect assets while providing a moderate rate of return. The funds are managed by an outside investment advisory firm. The investment results of the investment advisory firm are compared, at least annually, to mutually agreed upon and nationally recognized benchmarks of performance.

Strategies Employed for Achieving Objectives - To satisfy its long-term, rate of return objectives, the Society relied on a total return strategy in which investment returns are achieved through both current yield (investment income such as dividends and interest) and capital appreciation (both realized and unrealized). The Society targets a diversified asset allocation that places a great emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints. The Finance Committee of the Society Board meet at least quarterly to review performance with investments and recommend investment allocations subject to board approval.

Spending Policy and How the Investment Objectives Relate to Spending Policy - Endowment Fund Revenue will be calculated annually, in December, for budgetary and spending purposes for the coming year at a percentage of all endowment assets not otherwise restricted. The percentage available to be spent will be recommended to the Board of Directors by the President/Chief Executive Officer, or his designate. The value of the assets
against which the percentage will be levied will be the average value of all assets over the preceding three-year period, determined on a quarterly basis. The annual valuation will, therefore, be the average of twelve (12) quarterly valuations concluding with that of the September 30th quarter most recently preceding the date of the Board Meeting. It is anticipated that the amount expended from the investment balance for operating needs will be in the range of two (2%) percent to seven (7%) percent, as determined by the Board of Directors. The Board has adopted a resolution that they would provide for additional releases from the endowment when needed by the Society to help fund liquidity.

Special One Time Transfer - During 2022, the Board of Directors of the Society authorized a special one time transfer from its endowment assets to pay down its line of credit as well as to transfer funds into its operating cash to minimize interest rate risk.

12. NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions as of December 31, 2022 and 2021 are available for the following purposes or periods:

<table>
<thead>
<tr>
<th></th>
<th>2022</th>
<th>2021</th>
</tr>
</thead>
<tbody>
<tr>
<td>Habitat and other projects</td>
<td>$ 1,177,448</td>
<td>$ 1,087,712</td>
</tr>
<tr>
<td>Time - restricted for future periods</td>
<td>1,292,525</td>
<td>2,181,047</td>
</tr>
<tr>
<td>State drummer funds</td>
<td>78,177</td>

<td>$ 1,627,316</td>
</tr>
</tbody>
</table>

13. EMPLOYEE BENEFIT PLANS

The Society maintains a defined contribution pension plan in which all full-time employees are eligible to participate. Employer contributions to the plan are discretionary and are based upon a percentage of gross salary. In 2021, this percentage varies from 0% to 4.5% and is determined by a participant’s length of service. In 2022, the Society amended the plan to make a contribution to equal to 4.5%. In addition, the Society allows qualified employees to make a voluntary contribution to the plan. The employer contributions to the plan for the years ended December 31, 2022 and 2021 were $79,865 and $29,746, respectively, and are included in salaries and benefits in the statements of functional expenses.
14. RISKS AND UNCERTAINTIES

The Society invests in various marketable securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain marketable securities, it is at least reasonably possible that changes in the values of marketable securities will occur in the near term and such changes could materially affect the amounts reported in the statements of financial position.

15. COMMITMENTS AND CONTINGENCIES

The Society entered into an agreement with the Western Pennsylvania Conservancy (the “Conservancy”) effective January 31, 2008. The Conservancy granted the Society timber rights on approximately 2,363 acres of real estate located in Somerset County. The conveyances of the rights are in effect from January 31, 2008 through January 31, 2023. During this 15-year period, the Society is to harvest the full 2,363 acres. The Society is entitled to be paid $3.00 per ton of pulpwood or firewood harvested and sold from the timber sale.

In February 2013, the Society entered into an agreement with an independent third party to harvest and sell timber and related by-products on a 170-acre tract that is part of the 2,363 acres of real estate located in Somerset County. The independent third party agreed to pay $2.00 per ton of pulpwood or firewood harvested and sold from the timber sale. This agreement expired on October 1, 2015 without renewal. This agreement was renewed again in September of 2017.

During the years ended December 31, 2022 and 2021, the Society received payments of $397,990 and $201,814, respectively, related to the timber sale agreements referred to above. These amounts are classified as timber sales in the statements of activities.

16. CONTRIBUTED SERVICES

The Society recognized no contribution revenue related to contributed services for the years ended December 31, 2022 and 2021.

The Society receives minimal, if any, donated services from unpaid volunteers. No amounts have been recognized in the statements of activities because the criteria for recognition under accounting principles generally accepted in the United States of America have not been satisfied.

17. RELATED PARTY TRANSACTIONS

The Society received cash contributions from its Board of Directors. Contributions totaled $267,220 and $2,361,680 for the years ended December 31, 2022 and 2021, respectively. Promises to give from the Board of Directors totaled $151,899 and $564,374 for the years ended December 31, 2022 and 2021, respectively.

18. SUBSEQUENT EVENTS

The Society has evaluated subsequent events in accordance with FASB ASC Topic 855, Subsequent Events, through June 1, 2023, which is the date the financial statements were available to be issued. During their evaluation, no subsequent event items were identified.
