

HABITAT WORK DAY

When: March 30 9AM—Noon

Where: Plymbsbury WMA Plymouth, VT

Come join members from Vermont's hunting and conservation community for a morning of releasing apple trees to improve wildlife habitat. We need help girdling, cutting, and piling competing vegetation.

Meet at the parking area near 555 Old Plymouth Rd. (approx. 0.5 miles off of Old CCC Rd.). Dress appropriately for working in the woods. If you have cutting tools (chainsaws, bow saws, etc.) please free to bring them. Sawyers are required to use PPE. To register, please call/text Matt DiBona at 302-943-3239 or email mdibona@nwtf.net Lunch Provided!
