Getting a little cabin fever? So are we! That's why we decided to kick-start the Jim Foote Chapter of RGS & AWS in Spring 2024. Come out for the evening and talk birds, dogs, habitat, conservation and scatterguns with passionate, like-minded folks.

This is the first chapter event in years, so we're asking anyone with an interest in joining the committee or being involved in the chapter to attend. That includes both those two-legged and four-legged! Yes, well-behaved dogs are allowed in the venue.

All pre-registered attendees will receive tickets for door prize drawings.

For questions, contact:
