Join the Southern Appalachian Chapter for an afternoon of shooting at Fowler Farms Sporting Clays! Prizes will go to the top three shooters and the top scoring team of four. Participants can register solo and we will put teams together the day of the shoot.

After shooting and prizes we will head to the Orvis store in Asheville to celebrate the end of the Orvis Giveback Days fundraiser that runs during the month of May, raising money for habitat work in North Carolina. In 2023 the Orvis store in Asheville partnered with RGS & AWS for the Giveback Days fundraiser in September and raised more than \$4,500! Come support a partner that supports our efforts to create habitat in North Carolina. See you there!

### 100 Targets on the Fowler Farms Sporting Clays course:

#### Cost

Individual: \$60 for 100 clays

Four-person team: \$220

Shooters will need to bring five boxes of shells, hearing and eye protection.

*Proceeds go toward conservation of forest wildlife and support of the local chapter.*
