LUNCH & PRIZES

Join the H.C. Edwards and James River Chapters of the Ruffed Grouse Society for a fun morning of sporting clays! With prizes for the top shooters and a variety of raffles, members from both chapters and the surrounding area will have the opportunity to win great prizes!

Shooters will need four boxes of shells, hearing and eye protection.

Shooters will go in groups of four and be assigned a station to start. If you don't have a team of four don't sweat it, we'll put teams together at registration.
