Join the Kentucky River Chapter to kick off your bird season with a public land woodcock hunt! This is a fun hunt to get out and experience upland hunting in Kentucky. Attendees are encouraged to bring their bird dogs.

We'll meet at McDonald's at 7 a.m., make groups for the day's hunt, then head to Griffith Woods WMA at 8 a.m. After the hunt we'll enjoy a tailgate lunch as a group. If you have any questions, please contact chapter president Tristan Moorehead.

All hunters will need the appropriate state hunting license and requirements for migratory birds.

RSVP required to Tristan.
