

FUTUREWOOD

HABITAT WORK DAY

SATURDAY, MAY 17, 2025

9:30 A.M.

BEAUREGARD LAKE RUFFED GROUSE MANAGEMENT AREA

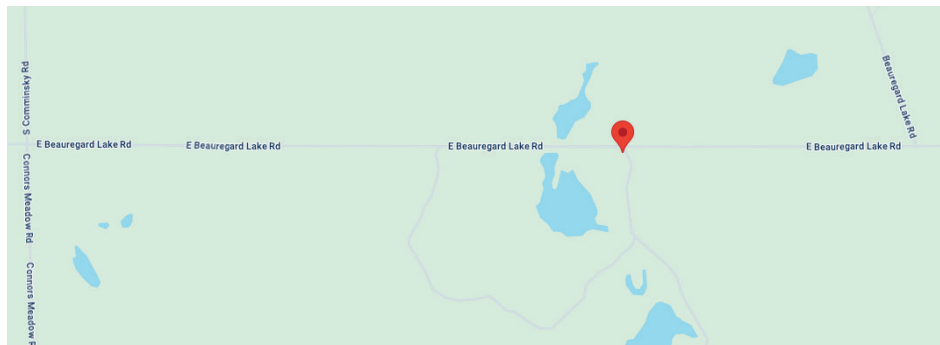

Meet at the driveway entrance located on the south side of East Beauregard Lake Road. Driveway entrance is ¾ miles west of the intersection of East Beauregard Lake Road and Beauregard Lake Road, Gordon, WI.

GPS 46.33076, -91.60673

Join us for a volunteer event open to all who are interested in making a difference. Projects may include painting, installing gates and clearing trails, and RGS & AWS staff will be on hand to share exciting updates about upcoming efforts to improve ruffed grouse and American woodcock habitat in the area.

LUNCH WILL BE PROVIDED!
