

GREEN MOUNTAIN CHAPTER

Grass Mountain Volunteer Habitat Day

SATURDAY, JUNE 13

9 a.m. - 3 p.m.

GREEN MOUNTAIN NATIONAL FOREST

End of Shaftsbury Hollow Road | Shaftsbury, VT

Explore the recent timber harvest at Grass Mountain with Public Lands Forester Melly Napper and help install tree shelters around oak seedlings.

In addition to creating wildlife habitat, timber harvests help fund other restoration work across the landscape, including oak plantings and restoration efforts along sections of Little White Creek.

Lunch provided.

Expect and prepare to hike at least 1 mile on uneven ground.

RSVP to Melly Napper:

802-712-4885, AmeliaN@ruffedgrousesociety.org
